Visiting professor at the University of Białystok

Dear Ladies and Gentlemen,,

Due to the dynamic development of the University of Białystok and the great importance of cooperation between our institutions, on behalf of the Vice - Rector for development - dr hab. Jarosław Matwiejuk, I would like to invite university teachers from foreign universities, who hold a title of a professor or are employed as professors, to conduct a series of lectures as a "visiting professor". Lectures should be delivered in the English or Russian language (any subject matter), in the dimension of 60 hours, including:

- 20 hours at the University of Białystok (about a week),
- 40 hours in the form of e-learning (after finishing the classes at the University of Białystok).

The University of Białystok informs that it:

- will appoint an assistant who will among other things be responsible for the organization of the professor's visit to the University of Białystok, help in the preparation of a syllabus and a scenario of e-learning classes (including the preparation and introduction of modules to the Blackboard platform), and, if necessary, provide translation;
- will provide free accommodation in the Dormitory for the duration of lectures conducted at the University of Białystok;
- will cover travel costs to/from Białystok;
- will provide remuneration in the amount of EUR 300 net.

I kindly ask you to send me information about the university teachers willing to take advantage of the "visiting professor" program by 31.12.2019 to the following e-mail address: [a.maj@uwb.edu.pl](mailto:a.maj@uwb.edu.pl).
